# Bug report

Please provide an interesting and accurate description

Illegal characters in description! Use English and numbers only.

When it says upload a PNG file... You actually need to upload a jpg .

Application is refused as our appstore does not support in app payment... Nor does the app implement it!

And the winner is?

**Thank you!!!**

See you soon June 9<sup>th</sup> for WIPJam Berlin

Then WIPJam Singapore, San Diego,  
Marseille
